Camp Mission

The mission of the Future Wildcats Summer Camp Program is to provide a setting for the development of young Christian athletes. Our goal is to enhance the growth of young athletes by providing them with excellent, sport-specific instruction. All camp sessions will be led by our high school coaching staff personnel, which holds years of collective coaching and playing experience. Our coaches will be assisted by many of our own high school athletes to help demonstrate proper techniques in each of the specific sports. The camps will be an excellent way for pre-high school aged athletes to develop their own skills. Coaches will work with athletes to develop both individual and team skills. Activities and drills will be age and development appropriate.

Fee Schedule

Campers may attend one week or each week. The fee for each week is \$50, which covers camp shirt, insurance, equipment, snacks, and awards. If campers attend all 4 weeks, a discounted fee of \$150 will apply. All fees are to be paid in advance at time of registration. Camps are eligible to all students who have completed grades 4th—8th. Please note the different time schedule for the basketball camp week.
